

MEDIA DISPLAY[®] MINI

EXTRAORDINARY PRESENTATION
OF YOUR ADVERTISING MESSAGE

DESIGN OBJECT AND ADVERTISING MESSAGE IN ONE DEVICE

TFT screens are integrated in a tower housing with CF card reader or optional hard disk drive and integrated speakers.

On the Spot, no PC or video is needed, just a power socket.

This device enables you to screen your commercials mobile, flexible and professionally in any indoor area. The relatively big tower surface can be used for individual artworks matching your Corporate ID and enhancing effectiveness of your advertising.
