VIDEO WALL

NEW DIMENSION
FOR MEGA PERFORMANCE

EXCITE YOUR CUSTOMERS – BROADEN HORIZONS

The Video Wall with slim bezel

Present your video material on surfaces as big as 9.62 x 5.55 meters. The high definition resolution of the Video Wall gives your presentation clarity and vibrance making it a fascinating and impressive event for any viewer.

Due to the slim depth and narrow bezel of the 42" display, the Video Wall appears very light and elegant.

It can be placed in entrance halls, VIP areas, on exhibitions or conferences. It can serve as visitor guidance system, news room-style information wall, digital advertising billboard, entertainment center or atmospherical backdrop.

WORLD-OF-SCREENS Video Walls turn any presentation of your product or company into a highly professional event, leaving viewers deeply impressed.

There are no constructional limits to indoor applications making the Video Wall highly adaptable to any interior style or event decoration.
